B-Epic's compensation plan is one of the most lucrative in the industry and is designed to maximize the earning potential for our independent Brand Partners. With multiple ways to earn as well as generous bonuses—including an industry leading car bonus program—you can make a significant income very quickly with your own B-Epic business. Plus, as you build your team, you are rewarded even more for simply introducing others to B-Epic and helping them succeed as well!

60% Rule for Total Payout

The Two Team Pay Plan pays up to 20% on your lesser volume team until the total company payout reaches 60%. If the total payout is over 60%, then it will be adjusted down to make the total payout be 60%. If the payout is under 60%, then it will go into a reserve to cover any weeks that the payout is over 60%. This is designed to make sure we always pay out the maximum amount possible without paying out too much to make sure the plan is stable.

Commission Schedule

The Customer Bonus and Fast Start Bonus will be placed into your e-wallet instantly; and the Two Team Pay and both Matching Bonuses are entered every Wednesday with a one-week delay.

The Simple Power of Teams

Making money with your own B-Epic business is simple due to the power of our Two Team plan. The key to success is simply introducing others to the B-Epic products and opportunity. As you acquire a retail customer base and build a team of other dedicated Brand Partners, your earning potential skyrockets rapidly!

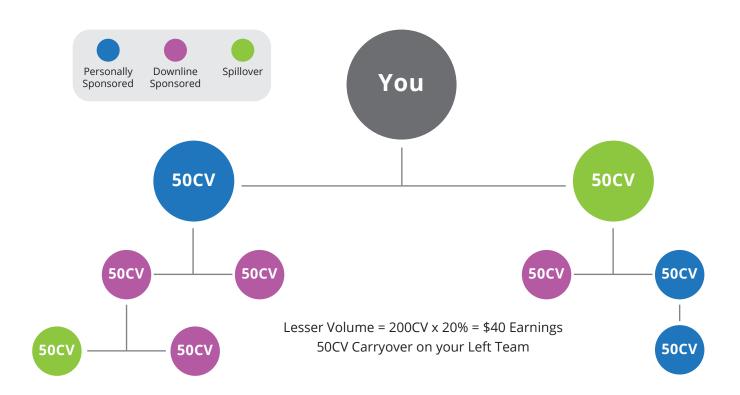

The B-Epic Two Team Pay Plan pays a very generous 20% of the commissionable volume (CV) generated by all the Members in the smaller of your teams, with volume calculated to infinity and with no cycles.

In this simple but powerful plan, you have a team on your left side and a team on your right side. As you personally help others join B-Epic, you can place them in either of your teams. New Members can also be placed on your teams for you by your Sponsor (or other Members above you) in addition to the efforts of those Members below you in your organization.

Once you reach the rank of Qualified Brand Partner or higher, you'll earn 20% of the CV in your lesser volume team EVERY weekly pay period. These pay periods are calculated and paid to you each week. The extra volume that you are not paid on from your larger team carries over to the next week as long as you maintain the rank of Qualified Brand Partner or higher.

What's even more great is that not only does the Two Team structure reward you for introducing others to the business and helping them also succeed, it applies to every Member you personally sponsor! So, the more Members you and your team help bring into B-Epic, the more opportunities you all have to grow your incomes.

The following example is based on a 50CV (\$49.95) monthly purchase. It shows just how powerful – and profitable – the B-Epic Two Team plan can be! Start building your business today!

Significant Matching Bonuses

In addition to the Two Team structure, all your personally sponsored Members are also part of your "Sponsorship Organization." In your Sponsorship Organization, the Members you personally sponsor are placed on your first level (with unlimited horizontal expansion potential). And all the Members they personally sponsor are placed on your second level...and so on.

The B-Epic Matching Bonus program allows you to earn two different powerful matching bonuses on the Two Team Pay earned by Members in your Sponsorship Organization. First, you get a 20% weekly check match on all your personally sponsored Brand Partners. Second, once you reach the rank of Silver Qualified Brand Partner or higher, you also get a 10% weekly check match paid on up to four generations of Silver Qualified Brand Partners or higher rank in your Sponsorship Organization. Note: Match is based on the Two Team Pay only.

The start of a "generation" is recognized when a Member in your Sponsorship Organization has reached the rank of Silver Qualified Brand Partner or higher during a weekly pay period. The Matching Bonus includes all Members below them in that team leg of your Sponsorship Organization until the tracking system encounters another Member in the same team leg who is also at the Silver Qualified Brand Partner rank or higher. That Member would then start your next generation.

Your Matching Bonuses can create a significant amount of additional income each week in your B-Epic business since a generation can represent large groups of Members as shown in the example.

Industry Leading Car Bonus

There's nothing like the feeling of driving a brand new luxury car or fully equipped SUV - especially if it's free! That's right! As part of B-Epic's Compensation Plan, one of the awesome ways we reward our Brand Partners is with a car payment bonus of \$500 per month.

With our one-of-a-kind Car Bonus program, you only need to focus on one simple thing: Get 4 Brand Partners on the \$89.95 package and then just teach them to do the same

thing. Get 4, teach 4... it doesn't get any easier than that.

CAR BONUS You earn the Car Bonus by purchasing a \$89.95 pack or higher and sponsoring four Brand Partners at that same package level or higher who also sponsor four Brand Partners each at that package level or higher. You are paid this bonus every month that you maintain the qualifications for it.

What's even better is that instead of requiring you to drive a specific make and model, you get to pick out any car (or truck, SUV, or even motorcycle) that you want...in the color of your choice! Buy it or lease it - it's completely up to you!

> With a monthly bonus of \$500, getting your dream car is closer than you think! The only requirement is that the vehicle cannot be more than four years old. And if you opt to not get a vehicle and do not already have a qualifying one, we will still pay you a \$250/month bonus that you can use any way you want.
